Contact Details / address		VHF Call Sign	
Other information of interest:			
Please continue on additional sheet			
Colours			
Mainsail		Hull	
Jib		Racing Flag	
Staysail			
Topsail			
Hull Measurements in feet			
LOA (Hull only)		Beam	
Length (berthing)		Draft	
LWL		Centre Plate	
Rig Details in feet			
Main Sail¹	luff	head	foot
Topsail	luff	perpendicular	
Mizzen	luff	head	foot
Fore Triangle²	height	length	

¹ Bermudan boats ignore "head" measurement on mainsail

² Fore Triangle is measured from highest jib sheave to deck, no account is taken of actual foresails.

Tips: Take the measurements from your sails for mains'l, tops'l and miz'n. For the fore triangle measure highest jib sheave to deck, and bowsprit sheave to mast.
